CORAL OCEAN

A DEFINING MASTERPIECE

One of the most iconic Lürssens ever built, CORAL OCEAN is a defining work of legendary designer Jon Bannenberg - a yacht whose unmistakable design has been admired and imitated for more than three decades.

73M (238 FT) | LÜRSSEN | 1,526 GT | €99,000,000

HERITAGE

An Icon of Superyacht Design

CORAL OCEAN is not simply a 73m Lürssen - she is one of the yachts that helped define an era of superyacht design.

Delivered by Lürssen in 1994 as CORAL ISLAND, she was conceived by the legendary Jon Bannenberg and remains one of his defining masterpieces. Her groundbreaking design was widely admired and imitated, influencing a generation of yachts that followed.

More than three decades later, her unmistakable profile and extraordinary 13m beam remain as relevant as ever.

In 2022, CORAL OCEAN underwent a transformative €35 million rebuild, comprehensively reimagining her for modern ownership while respecting the pedigree that made her an icon. Her expansive sundeck was completely rebuilt, her interiors transformed and her guest spaces redesigned around contemporary life on the water.

Further refitted in 2026, CORAL OCEAN now represents a rare proposition: the pedigree and presence of one of the most recognisable Lürssens ever built, combined with the amenities, condition and lifestyle of a yacht designed for today.

Spanning more than 1,500 GT, she offers extraordinary volume across multiple levels, accommodation for 12 guests in six cabins, expansive indoor and outdoor entertaining areas, exceptional wellness facilities and one of the most impressive sundecks in her class.

A proven and highly successful charter yacht, CORAL OCEAN offers her next owner something that cannot simply be commissioned from a shipyard - history, pedigree and an identity recognised throughout the superyacht world. She is fully commercially registered and RMI compliant.

KEY HIGHLIGHTS

ICONIC LÜRSSEN PEDIGREE

Designed by the legendary Jon Bannenberg and delivered by Lürssen in 1994, CORAL OCEAN remains one of his defining masterpieces and one of the most recognisable Lürssens ever built.

EXCEPTIONAL USABLE SPACE

An extraordinary 13m beam across five decks, with much of her living space on open decks outside the measured volume: a rebuilt sundeck, an owner's deck aft seating up to 40 and a beach club open to the sea.

EXCEPTIONAL FUEL EFFICIENCY

Twin KaMeWa controllable-pitch propellers matched to her Lürssen underwater hull form make CORAL OCEAN one of the most cruise-efficient yachts over 70 metres.

REBUILT SUNDECK

An expansive entertaining deck with panoramic views, glass balustrades, extensive lounging, a bar and cinema, and a spectacular glass-bottom spa pool.

MULTI AWARD WINNING

World Superyacht Awards Judges' Special Refit Award 2023, ACREW Best Superyacht Crew 2024, Monaco Yacht Club Environmental Efficiency Award and MYBA Crew Competition winner 2026.

€35M TRANSFORMATION

A hull-to-helm rebuild completed in 2022, followed by a further refit in 2026, comprehensively reimagining her guest spaces, interiors and systems for modern ownership.

6M OPENING SHELL DOOR

A six-metre opening shell door in the main salon, a truly unique feature, brings the sea directly into the principal living space and turns the salon into a terrace on the water.

EXCEPTIONAL RANGE

8,000 nautical miles at 12 knots from 153m³ of fuel, with three Caterpillar generators and twin watermakers supporting extended time at anchor and true long-range cruising.

DEDICATED WELLNESS

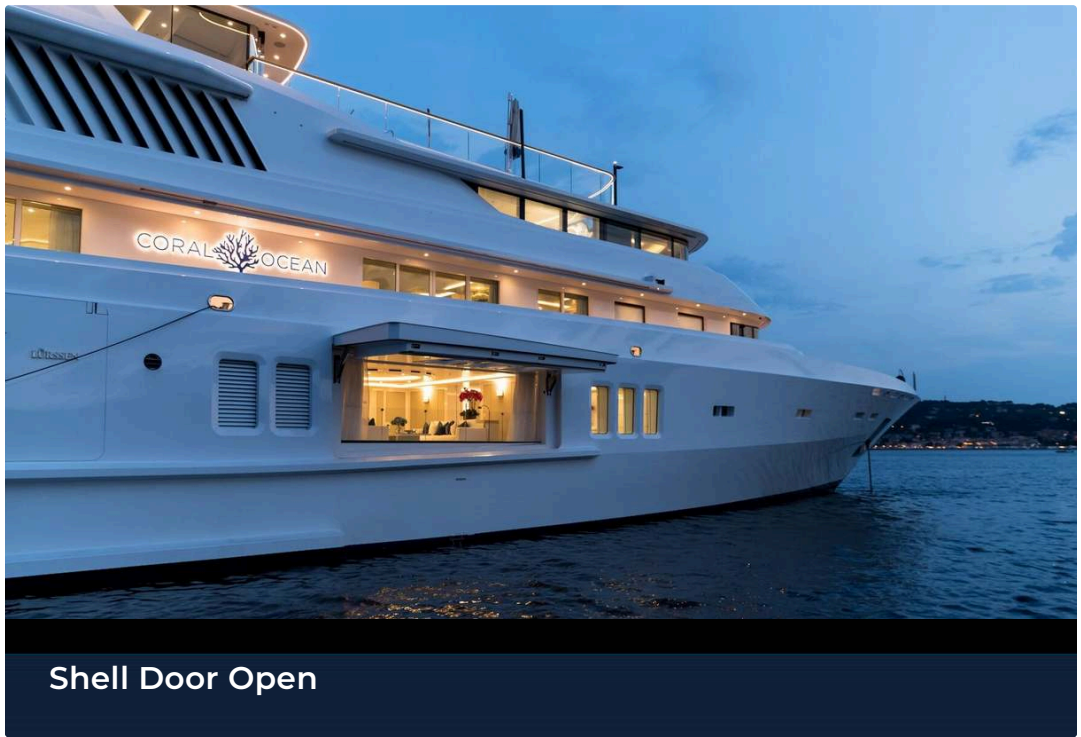

Treatment room with onboard therapists, infrared sauna, hair salon and dressing room within the master suite, a lower deck steam room and a fully equipped gym on the boat deck.

PROVEN CHARTER PLATFORM

An established and highly successful charter yacht with a globally recognised name and a proven operational platform. Commercially registered and RMI compliant.
